

# BEC-NVR-3208-S2

## Features:

- Support 32 Channel IP Camera input
- H.265, H.264 Video Compression
- Up to 8MP resolution preview and playback
- Max 80Mbps incoming bandwidth
- Support 2 SATA HDDs up to 6TB, 2 USB Ports (2.0)
- HDMI / VGA simultaneous video output
- Support ONVIF Version 2.4
- Support Multi-brand Network Cameras
- Support Android & iOS Mobile Application: P6SLite

Feature	Description
Processor	Embedded processor
Operating System	Linux
User Interface	GUI
Video Output	1 VGA/1 HDMI simultaneous video output
Video Compression	H.265/ H.264
Video Resolution	5MP/4MP/3MP/1080P/720P
Display Resolution	1024 x 768@60Hz, 1280 x 720@60Hz, 1280 x 1024@60Hz, 1440 x 900@60Hz, 1600 x 1200@60Hz, 1920 x 1080@50Hz/60Hz, 3840 x 2160@30Hz
Video Recording	80 Mbps for access, 80 Mbps for storage
Video Display Split	1/4/6/8/9/16/25/36
Bandwidth Incoming	60 Mbps
Channel	32Ch
Motion Detection	Support
Video Loss	Support
OSD	Date, Time, Camera Name
Image Setting	Exposure, Color, Smart Illumination
Alarm Alert	IP Conflict, Network disconnected, Disk offline, Disk abnormal, Illegal access
Audio Compression	G711
Audio Output Port	Support
User Account	20
Ethernet Port	1 × RJ-45, Support
Recording Method	Event Recording/ Continuous Recording
Recording Schedule	Normal, Event, Motion, Alarm
Backup Type	Normal, Event
Search Mode	Time /Date, Motion Detection, Normal, VCA
Interface Ports	2USB Ports,
Hard Disk	2 SATA ports, upto 6TB
DDNS	Support
Protocols	HTTP, HTTPS, RTSP, Onvif,
Smart Phone	(P6SLite) IOS & Android
Working Temperature	-10°C ~ 60°C
Working Humidity	0~95% non-condensing
Power Supply	DC 12V, 2A
Certificate	CE, FCC, RoHS, ISO 9001:2015
