

# BEC-PS08-12

## Features:

- 8 Channel Power Supply
- Power LED Indicator
- Short Circuit & Overload Protection
- Voltage Adjustment Switch
- Surge Protection Support
- Input Voltage Range (110-285V AC)
- Output Voltage Range (12V DC)
- High Efficiency & Low Energy Consumption

<b>Feature</b>	<b>Description</b>
Power Supply	8 Channel
Input Voltage Range	110-285V AC
Output Voltage Range	12V DC
Low Ripple Voltage	<5% (mv p-p)
Power LED Indicator	Support
Casing	Metal
