

BEC-PS16-12

Features:

- 16 Channel Power Supply
- Power LED Indicator
- Short Circuit & Overload Protection
- Voltage Adjustment Switch
- Surge Protection Support
- Input Voltage Range (110-285V AC)
- Output Voltage Range (12V DC)
- High Efficiency & Low Energy Consumption

Feature	Description
Power Supply	16 Channel
Input Voltage Range	110-285V AC
Output Voltage Range	12V DC
Low Ripple Voltage	<5% (mv p-p)
Power LED Indicator	Support
Casing	Metal
