BEC-XVR-8005-S1

Features:

- Supports AHD/HDCVI/TVI/CVBS/IP video inputs
- 08 Channel Video Input Supported
- Support 08Ch. IP Camera Input upto 5MP Resolution
- Support H.265/H.264 Video Compression
- Support 1 SATA HDDs upto 6TB, 2 USB Ports (2.0)
- HDMI / VGA simultaneous video output
- Audio Supported
- Support Android & iOS Mobile Application: P6SLite

*Product specifications and casing are subject to change without notice.

Feature	Description
Processor	Embedded processor
Operating System	Linux
User Interface	GUI
Video Channel	8 Channel, BNC
IP Camera Input	10 Channel upto 4M-N, 8 Channel upto 5MP
Video Output	1 VGA/1 HDMI simultaneous video output
Video Compression	H.265/ H.264
Video Resolution	5M-N, 4M-N, 5MP/4MP/3MP/1080P/720P
Display Resolution	1366 x 768@60Hz, 1280 x 1024@60Hz, 1920 x 1080@60Hz, 2560 x 1440@30Hz, 3840 x 2160@30Hz
Video Recording	1080P@20fps
Video Display Split	1/4/9
Snapshot	Support
Camera Masking	Support
Motion Detection	Support
Video Loss	Support
OSD	Date, Time, Camera Name
Alarm Alert	HDD Error, Network disconnected, Disk full, Illegal access
Audio Compression	G711
User Account	20
Ethernet Port	1 × RJ-45, Support
Recording Method	Smart + Alarm Recording, Event Recording/ Continuous Recording
Recording Schedule	Normal, Event, Motion, Alarm, Smart + Alarm
Backup Type	Normal, Event
Search Mode	Time /Date, Motion Detection, Normal
Interface Ports	2USB Ports
Hard Disk	1 SATA ports, upto 6TB
DDNS	Support
Protocols	HTTP, HTTPS, RTSP, Onvif,
Smart Phone	(P6SLite) IOS & Android
Working Temperature	-10˚C ~ 60˚C
Working Humidity	0~95% non-condensing
Power Supply	DC 12V, 2A
Certificate	CE, FCC, RoHS, ISO 9001:2015
